

VISION

Our goal as a family-owned, independent company is to expand our market leadership in Europe, to open up new markets internationally and to offer our employees a secure and sustainable workplace.

MISSION

Excellent quality, a high degree of flexibility and superior service at a good price are our key to success.

We excel in speed, reliability and expertise.

We keep evolving in all areas through continuous improvement.

With our committed employees, we create innovative ideas and find solutions for our customers, and thus ensure their satisfaction.

VALUES & PRINCIPLES

We treat each with candour and respect. In our day-to-day work, we communicate in a professional and friendly manner. We are sensitive to each other's needs and enjoy laughing together.

The focus is on solution-oriented cooperation.

We develop the skills of all our employees. Our comprehensive training and further education have a high priority.

Our objective is to cater flexibly to the requirements of our internal and external customers in an appreciative manner.

We pursue our objectives consistently.
